A BIG thank you for all your staff, volunteers, and donors. You did it again, and showed them the true spirit of Christmas. Our clients were so happy and grateful to receive their presents. They were really touched by your generosity and thoughtfulness. You should see the excitement on their faces, and how overwhelmed some of them were.

Our hospital has used your services over the last ten years, at least. I just want to say we are the one should say Thank you. You don't know how much we appreciate the gesture your program provided. It means so much to those needed ones. We used to have to purchase our own gifts for those residents and patients who don't

We had residents at the Vulcan Community Health Center and Carmangay's Little Bow Continuing Care Center receive gifts from Santa's Secret Service and we truly cannot thank you enough. The gifts that were sent were so generous, thoughtful and appreciated. It is remarkable to observe how much those gifts meant to each of those residents.

What is meant to be such a happy and joyous time of year can really be a sad and dismal time of year for some isolated seniors with-out friend/family support. Your gifts lifted spirits when it was really needed.

Thank you for your organization and all that you do to make Christmas and birthdays brighter for our frail isolated seniors. Words can not express the difference you make in the lives of the participants of the Kerby Centre Seniors Grocery Delivery Program. I am enclosing some of the messages of thanks that we received from recipients of the Christmas gifts.

Santa's Secret Service

I just want to let you know how appreciated your program is and say a big THANKS to the staff, volunteers and Board of Directors for Santa's Secret Service for your generosity, caring and thoughtfulness. Our participants would not be able to celebrate Christmas if your organization did not exist.

One of our clients lost his wife in August and has been really struggling. When the gift was delivered, he broke down crying. He has no immediate family here and had not put up a tree or any decorations. He was overwhelmed by the generosity and thoughtfulness of Santa's Secret Service.

A card from a recipient reads: Thanks to Santa and all his helpers Oh! My goodness. I can't believe all the wonderful things you gave me for Christmas. Can't wait to use the slow cooker and try out some of those wonderful recipes, and also put the oven mitts and towels to use. All the candies, chocolates, cookies and nuts, wow, they are my biggest weakness.

Santa's Secret Service

I just love the Christmas angel, she is so beautiful and the socks are so soft and comfy, and the top it all off the Nivea skin kit is just what I needed. Thanks you all so much, you just made my Christmas. You are doing a fantastic job. Take care and God Bless.

Santa's Secret Service

To Santas Elves and all who had a hand in sending the generous gifts to us. It's really appreciated – not just the gifts but the time & effort you all spend to make Christmas extra special.

Words can't express the deep appreciation for your special thoughtfulness.

Santa's Secret Service

I hope your Christmas is lovely and happy—you are all so wonderful. I just love the Il Divo CD and everything else I received.

Thank you for all your kindness. My family & friends are all gone – it was nice to be remembered.

Santa's Secret Service

Thank you so much for the lovely and useful Christmas gifts. The blue soft throw will be very useful to me as the one I have is ready to be discarded. I chuckled when I saw the two bags of candies and the cookies. You know what I like don't you. Thanks again for your thoughtfulness and kindness.

Santa's Secret Service

I want to thank you for the lovely huge bag of goodies you sent me. I most appreciated the Olay moisture lotion. Thanks to all who had a hand in my special bag of gifts.

Santa's Secret Service

I just had to let you know how much I appreciated my surprise Christmas gifts. You really made my day. It gave me a much-needed boost. I am getting close to 96 years and can't do so much now.

Santa's Secret Service

Thank you for the unexpected Christmas gifts. It was so generous that I decided to share some of it with others who may need a touch of love at this time of year. Many, many thanks and God's blessing on you at Christmas.

Thank you very, very much. It was a big surprise when one of your elves delivered that big bag of gifts before Christmas.
